

Exclusive Opportunity

Free

Style & Colour Consultation

Eyewear is more than just a fashion accessory. When it comes to updating, brightening or adding vibrancy to your wardrobe, specially chosen eyewear is virtually unbeatable. Visual Eyes Optometry is giving you the opportunity to have your colours professionally done and your eyewear specifically chosen for you. Book a free consultation in our next upcoming event. Bring a friend who also needs a new look and let experts in their field go to work on you.
